## Cultural Responsibility

CCBC Nepal is a ministry primarily dedicated to building up Nepali men and women for the work of the ministry in Asia. We welcome foreign students to study with us and gain a unique cross cultural experience. However, we advise foreign students to think about the challenges of living in a different culture before they make a decision to study with us. We also ask that each foreign student to do his/her best to conform to the culture of Nepal, both in day-to-day life and ministry, and not to come with an attitude of superiority or arrogance. Please seriously think and prayer over your decision to determine whether this is the right option for you.

## Financial Responsibility

I understand that the application fee and tuition (\$2900 USD total) is non-refundable. The application fee of \$25 is due upon emailing your application and reference forms. Upon acceptance, the remaining tuition (\$2875) is due two weeks before the semester starts.

Checks should be made payable to:
